Colour Multifunction Printer
Full-featured power
in a desktop device

WorkCentre® 6400 Multifunction Printer

Unleash the productivity of your office. We've taken the office-critical features of our large departmental multifunctional systems and packed them into this ultraproductive A4 printer. It seamlessly integrates print, scan, fax and copy functionality, and adds smart management tools to simplify work for busy offices with high-volume colour requirements.

A powerhouse made for sharing

From its advanced networking to fast operating speeds (up to 30 ppm colour / 35 ppm black and white), the WorkCentre 6400 is tailor-made for large workgroups.

- **Multitasking.** Access walk-up copying, scanning or faxing functions when you need them, even while other jobs are printing. Spend your valuable time working, not waiting for your turn.
- **Never wait for a job on hold.** Exclusive Print Around feature detects print jobs waiting for additional resources and prints the next print job in the queue.

All-in-one simplicity

The WorkCentre 6400 gives your business crucial tools in an easy-to-use package.

- **Walk-up use is intuitive.** Thanks to the icon-based, 203 mm colour touch screen with help screens. It shares the same simplicity our larger Xerox devices are known for.
- **Easy supplies replacement.** Toners come pre-loaded and replacement is simple thanks to the easy-access front door, and email alerts notify you when levels are low.
- **Automatic two-sided functionality.** Means that copying, printing and fax receipt reduces office paper use.
- **Regulate use and control costs.** Set limits and control access to colour. Generate usage reports for analysis and billing purposes.
- **Scan routing made easy.** LDAP capability integrates scanning with your network address book.
- **Efficient finisher** (standard on 6400XF). Staples your documents or offset stacks jobs for grab-and-go convenience.

Your processes simplified

- **Tailored to fit your document needs.** Xerox Extensible Interface Platform™ (EIP) enables personalised and simplified workflows that meet your unique business requirements. Using standard web development tools, in-house developers can build tailored server-based applications that users can access right from the touch screen.

To learn more, visit www.xerox.com/eipinfo.

- **Full-functioned scanning.** Includes a wide range of document routing capabilities which enables automation of repetitive job processes. Store scans in a public or private folder on the hard drive with Scan to Mailbox. Send files to a pre-assigned "home" destination with Scan to Home. Scan files directly to email addresses or store on a central server with network scanning.
- **Store frequently printed documents.** These are shared directly on the device for reprinting later.
- **Convert paper documents to text-searchable PDFs.** Allows for easy archiving, organising and searching.

WorkCentre® 6400 Quick Facts

- 30 ppm colour, 35 ppm black and white
- Up to 2400 x 600 dpi
- Standard automatic two-sided colour copy/print
- True Adobe® PostScript® 3™, PCL 5c and PCL 6 support

Print / Copy / Scan / Fax

216 x 356 mm

30 ppm colour

Convenient walk-up operation. Easy to read and navigate, the large colour touch screen guides you through even the most complex operations.

Choose desktop or floor standing models to locate conveniently close to users.

- 1** Xerox Extensible Interface Platform™ (EIP) is a software platform inside the WorkCentre 6400 that enables personalised solutions you can access right from the touch screen. These applications can leverage your existing databases and meet your specific business challenges.
- 2** 50-sheet Duplex Automatic Document Feeder scans two-sided documents in sizes up to 216 x 356 mm.
- 3** Full 216 x 356 mm platen glass allows you to scan legal-size documents with ease.
- 4** 80 GB internal hard drive lets you handle more tasks at the device. Use the Save Job feature to keep frequently used documents available for quick printing on the go.

- 5** 100-sheet multipurpose tray.
- 6** Standard 500-sheet tray.
- 7** Two additional 500-sheet trays (standard on XF configuration).
- 8** Stand includes cabinet for toner and media storage (standard on the XF configuration).
- 9** Finisher collates and staples sets of up to 30 pages. Available for both desktop and floor standing models. Includes 600-sheet output tray.

Security built in

Confidential documents stay confidential with advanced security features:

- A print job can be held in the queue until a PIN is entered, releasing it to print.
- Image data in the device's memory can be automatically "shredded" after every job or on request.
- A password can be required before incoming faxes can be printed or removed, and a junk fax barrier protects your privacy.
- Authentication helps prevent unauthorised access to the device and support for 802.1X secures it on the network.
- Supports IPSec for both IPv4 and IPv6 for improved security.
- Secure Access Unified ID System (optional) enables users to log-in at the WorkCentre 6400 with their ID badge for secure access to functions that need to be tracked for accounting or regulatory requirements.

Device Management

CentreWare® Internet Services, CentreWare Web

Print Drivers

Windows® 2000/2003/XP/Vista, Mac OS® X version 10.3 and higher, Linux® Turbolinux® 10 Desktop, SUSE™, Red Hat®, Xerox Global Print Driver, Xerox Mobile Express Driver

Font Support

141 PostScript fonts, 81 PCL fonts

Media Handling

Multipurpose Tray 1: 60 – 210 gsm; Trays 2, 3, 4: 60 – 90 gsm;
Two-sided printing: 60 – 150 gsm; Media types: Plain paper, transparencies, card/cover, glossy, labels, envelopes

Colour Standards

PANTONE® Colour approved solid-colour simulations, Xerox Colour Correction

Operating Environment

Operating: 10° to 32° C; Storage: -20° to 40° C; Relative humidity: 15 to 85 %; Storage: 10 to 95 %; Noise Level: Sound pressure: Printing: 56.8 dB(A), Standby: 37.3 dB(A); Sound power: Printing: 7.294 B, Standby: 5.106 B

Electrical

Power: 220–240 VAC, 50/60 Hz; Power consumption: Standby: 161 W; Printing: 802 W; Power save: 26 W; ENERGY STAR® qualified

Dimensions (WxDxH)

6400S/6400X: 530 x 588 x 627 mm; Weight: 59 kg;
6400XF: 1.008 x 673 x 1,169 mm; Weight: 82 kg

Package Dimensions (WxDxH):

6400S/6400X: 760 x 650.2 x 883 mm;
6400XF: 1118 x 770 x 1458 mm

Certifications

FCC Part 15, Class A, FCC Part 68, CE Mark applicable to Directives 2006/95/EC, 2004/108/EC and 1999/5/EC, Listed UL 60950-1/CSA 60950-1-03

What Comes In The Box

The WorkCentre 6400 includes Toner Cartridges installed.

Supplies and Options

Print cartridges:
